What's So Funny Bout Peace Love And Understanding (In D) - Nick Lowe (Brinsley Schwarz, Elvis Costello)

Intro: D G (x4)

VERSE

```
          D       A G             D    A G
As I walk through     this wicked world
              Bm           E                 A   G
Searchin' for light in the darkness of insanity
        D    A G             D    A G
I ask myself     is all hope lost?
              Bm       E               A   G
Is there only pain and hatred, and misery?
```

CHORUS

```
         D                 A            D7
G
And each time I feel like this inside, there's one
thing I wanna know,
D                     A                 Bm        E
What's so funny 'bout peace love & understanding?
ohhhh
D                     A                 Bm       A
What's so funny 'bout peace love & understanding?
```

D G (x4)

VERSE

```
                D  A G                  D    A G
And as I walked on     through troubled times
               Bm     E            A     G
My spirit gets so downhearted sometimes
                 D      A G                 D
```

```
A G
So where are the strong     and who are the trusted?
                  Bm   E    A              G
And where is the har----mony?  sweet harmony
```

CHORUS

```
         D                A            D7
G
And each time I feel like this inside, there's one
thing I wanna know,
D                     A                 Bm        E
What's so funny 'bout peace love & understanding?
ohhhh
D                     A                 Bm       A
What's so funny 'bout peace love & understanding?

                  D      A G                 D
A G
So where are the strong     and who are the trusted?
                  Bm   E    A              G
And where is the har----mony?  sweet harmony
```

CHORUS

```
         D                A            D7
G
And each time I feel like this inside, there's one
thing I wanna know,
D                     A                 Bm        E
What's so funny 'bout peace love & understanding?
ohhhh
D                     A                 Bm       A
D
What's so funny 'bout peace love & understanding?
```
