

It's The End Of The World As We Know It (And I Feel Fine) – REM

G
That's great, it starts with an
Cmaj7
earthquake, birds and snakes, an
G
airplane –
Cmaj7
Lenny Bruce is not
G
afraid. Eye of a hurricane, listen
to yourself churn –
Cmaj7
world serves its own needs,
G
regardless of your own needs. Feed
it up a knock,

speed, grunt no, strength no.
Cmaj7
Ladder structure clatter with fear
of height,
Bb
down height. Wire in a fire,

represent the seven games in a
Am
government for

hire and a combat site.
G
Left her, wasn't coming in a hurry
with the furies
Cmaj7
breathing down your neck.
G
Team by team reporters baffled,
trump, tethered
Cmaj7
crop. Look at that low plane! Fine
G
then. Uh oh, overflow, population,

common group,
Cmaj7
but it'll do. Save yourself, serve
yourself. World serves its
G
own needs, listen to your heart
Cmaj7
bleed. Tell me with the rapture and
the

reverent in the
Bb
right – right. You vitriolic,
patriotic, slam, fight, bright
Am

light, feeling pretty psyched.

G Dsus2
It's the end of the world as we
Am
know it.

It's the end of the world as we know

it and I feel fine.

G
Six o'clock - TV hour. Don't get

caught in foreign tower.

Cmaj7
Slash and burn,

G
return, listen to yourself churn.
Lock him in uniform and book burning,

Cmaj7
blood letting. Every

G
motive escalate. Automotive
incinerate. Light a candle,

light a
Cmaj7
motive. Step down, step down. Watch
a heel crush, crush. Uh oh,

this means
G Cmaj7
no fear - cavalier. Renegade and
steer clear! A tournament,
Bb
a tournament, a tournament of lies.
Offer me solutions, offer me
alternatives

Am
and I decline.

G Dsus2
It's the end of the world as we
Am
know it.

The other night
Cmaj7
I tripped a nice continental drift
divide. Mount St. Edelite.
 (PARAR)
Leonard Bernstein.
G
Leonid Breshnev, Lenny Bruce and
Lester Bangs.
 Cmaj7
Birthday party,
 Bb
cheesecake, jelly bean, boom! You
sympbiotic, patriotic,
 Am
slam, but neck, right? Right.

 G Dsus2
It's the end of the world as we

know it. (It's time I had some time
alone)
