

Locked Out – Crowded House

[Verse 1]

Asus2
I been locked out
E
I been locked in
Asus2 **E***
But I always seem to come back again
Asus2
When you're in that room
E
What do you do
Asus2 **E***
I know that I will have you in the end

[Chorus 1]

B **Asus2**
And the clouds they are crying on you
Asus2 **E***
And the birds are offering up their tunes
B **Asus2**
In a shack as remote as a mansion
C#m **G#**
You escape into a place where nothing moves

[Verse 2]

Asus2
And I been locked out
E
And I know we're through
Asus2 **E***
But I can't begin to face up to the truth
Asus2 **E**
I wait so long for the walls to crack
Asus2 **E***
But I know that I will one day have you back

[Chorus 2]

B **Asus2**
And the hills are as soft as a pillow
Asus2 **E***
And they cast a shadow on my bed
B **Asus2**
And the view when I look through my window
F#m **G#**
Is an altar piece I'm praying to for the living and the dead

[Bridge]

D **C#m**
Twin valley shines in the morning sun
D **C#m** **G#**
I send a message out to my only one

[Verse 3]

Asus2 **E**
I been locked out and I know we're through
Asus2 **E***
But I can't begin to face up to the truth

Asus2 **E**

I wait so long for the walls to crack

Asus2 **E***

But I know that I will one day have you back

[Chorus 3]

B **Asus2**

And I work with the bees and the honey

Asus2 **E***

Every night I circle like the moon

B **Asus2**

It's an act of simple devotion

C#m **G#**

But it can take forever when you've got something to prove

Asus2 **E**

I been locked out

[Outro]

Asus2 **E** x2
