And the things together that we'll never do
Em G D {riff} Em G D {riff}
At first it's code, and then it's hot,

Tried to be someone that I know I'm not.

C G
I'm in trouble, and I know it
Em G
How I'm feeling, I can't show it
C G F D
But these feelings, don't go away

Em G D {riff} Em G D {riff}
I remember you, lines on your face.
Em G D {riff} G C {riff}
Sharing a moment in the perfect place.

I'm deep in your eyes, and inside your head.
