[Intro]

Well, we know where we're goin'
but we don't know where we've been
And we know what we're knowin'
but we can't say what we've see-een
And we're not little children
and we know what we wa-ant
And the future is certain
Give us time to work it o-out

These corrections from valnaut16 were never made. Is it correct as it is?
