G Gmaj7 G Gmaj7 G6 Dsus2
 It's all a matter of soul and fire
 D G
 Infatuation or true desire
 G Gmaj7 G Gmaj7 G6 Dsus2
 The thrill of discovery, di-vine intervention
 D G
 Cruel, cruel change, pain of rejection

Em C/G G
As you walk away, think of all the joy we shared
Em C/G G
If you decide you need me, I'll be wondering if I care
D D
Not there to soothe your soul, friend to tender friend
C D G
I think our love is coming to an end

G Gmaj7 G Gmaj7 G6 Dsus2
D G

G Gmaj7 G Gmaj7 G6 Dsus2
King persuader, congratulations
D G

You share her heart, you bought her soul
G Gmaj7 G Gmaj7 G6 Dsus2
Princess confusion, come to me again
D G

Saying goodbye was so much fun

Em C/G G
When you walk away, feel the freedom in your heart
Em C/G G
There's a joy in letting go, free to find a love apart

D

When I lose control, I need a kind, forgiving friend

C

D

G

But I think our love is coming to an end

C

D

G

I know our love is coming to an end

Soul and fire

(on Bubble and scrape album)

Alot of tabs are available on the net for this song; i think they're right.
Try just this one using a capo; don't you find that D7 sounds better than E7?

Capo on 2nd fret

G

G7M

G

G7M

Dsus2

it's all a matter of soul and fire

D7

G

infatuation or true desire

G

G7M

G

G7M

Dsus2

the thrill of discovery divine intervention

D7

G

cruel cruel change the pain of rejection

Em

C

G

as you walk away think of all the joy we shared

Em

C

G

G7M

G6

if you decide you need me i'll be wondering if i care

D7

not here to soothe your soul friend to tender friend

C

D

G

i think our love is coming to an end

king persuader congratulations

you share her heart you bought her soul

princess confusion come to me again

saying goodbye was so much fun

when you walk away feel the freedom in your heart

there's joy in letting go free to find a love apart

when i lose control i need a kind forgiving friend

but i think our love is coming to an end

Define chords:

G

G7M

Dsus2

D7

Em

C

G6

D

My cousin Arnaud suggests to play this song with capo on 1st fret. You've got to make up your mind.
