I told them you were living downtown.

Man, when I tell you she was cool, she was red hot!

I mean she was steaming.

A C#m7
And at that time over at Johnny's place,

Well, this chick got up and she slapped Johnny's face.
C#m7 F#sus4
Man! We just fell about the place.

If that chick don't wanna know, forget her!

Down at Dino's bar and grill

That jukebox in the corner blasting out my favourite song.

Good tab, only one correction...the F in the verses should actually be a Dm7...i've seen him play it and thats what he changes to JUST for that 2nd line of the 2nd stanza of each verse
